

# MISSISSIPPI STUD®

Mississippi Stud® is a five-card poker game that lets you bet up to 10 units on a single hand. In Mississippi Stud®, you compete against a pay table, not against the dealer, and you win if your hand is a Pair of Jacks or better. The top payout is 500 to 1 for a Royal Flush and it pays on all bets!

## GETTING STARTED

Make an Ante bet to receive your first two cards. The dealer will place three community cards face down in the middle of the layout.

## PLAY OR FOLD?

At this point, you may either fold or make the 3rd Street bet of 1x-3x your Ante. The dealer then reveals the first community card. Once you see the first community card, you have a choice: fold or make the 4th Street bet of 1x-3x your Ante. The dealer then reveals the second community card. Once again, you can fold or stay in the game by making the 5th Street bet from 1x-3x your Ante.

**NOTE:** When you fold, you forfeit all bets left in action.

## WINNING AND LOSING

After the dealer turns over the final community card, he resolves all wagers left in action. You win if your five-card hand is a Pair of Jacks or better (Pairs of 6s-10s push).

## HAND RANKINGS

**Royal Flush**  
500 to 1

**Straight Flush**  
100 to 1
